1. Always consult the MCTA website and your level coordinator for definitive advice regarding applicable policies and conditions.
2. Adult League 2.5 and 5.0 level leagues play a format of 1 singles + 2 doubles, while all other Adult Division levels play 2 singles + 3 doubles. All other League programs use a 3 doubles courts format.
3. National rules set minimum requirements for the number of players on a roster. USTA Maryland District rule #17 establishes maximum roster sizes. In the Spring Adult Leagues, roster min/max numbers are a function of the specific match format applicable to the playing level. The "small format" leagues are bound by the smaller roster size limits, while the "regular format" leagues are bound by the larger roster size limits.
4. For any league in which court fees are anticipated, an Initial Team Registration Deposit is required before a Captain may receive a Team Code. The deposit is equal to the cost of one team match and is refunded at the end of the local league season after adjusting for any default courts given or received over the course of local match play.
5. Per-Player Fees are collected at the time of on-line registration via TennisLink and are subject to change without notice. Per-Player fees consist of a variety of fees, including: a Maryland District fee (varies depending on the league); an MCTA administrative fee of \$12.50 (\$6.50 for Senior leagues); a non-refundable Mid-Atlantic Section fee of \$4.75; a non-refundable TennisLink "user fee" (7.5% of registration fees plus \$0.50, \$3.00 minimum); and pre-payment of local league court fees, if applicable, for 4-5 matches (\$51-85).
